

AES Indiana Community Impact Report now available

AES Indiana's 2023 Community Impact Report is now available, illuminating our commitment to the community. From empowering local initiatives to fostering sustainable growth, this annual report is a testament to our commitment to creating better outcomes in Central Indiana. We invite you to scan the QR code to read about the impact, stories, statistics and successes that define our commitment to being a force for good in our community.

Stars, stripes and savings

You can make this the coolest summer yet with a smart thermostat. Automatic scheduling doesn't just keep you comfortable – it also boosts your energy efficiency, so you can save big on your energy bills. The best part? You could get one for free! See if you qualify with our CoolCents program or check out instant rebates on our Marketplace.
